Stacie- Chairman,

I wanted to provide an update on the ongoing Lewisville 2035 initiative. As the process continues to evolve, we are engaging in more detailed discussions and brainstorming sessions focused on shaping the future of our community. I appreciate your active involvement thus far, and I encourage you to further engage at this critical stage.

Please take a moment to visit the 2035 portal and share your comments; I have included the link in our report for your convenience. Our recent input meeting in Castle Hills generated valuable conversation, despite lower attendance due to inclement weather.

Your participation and insight are essential as we move forward. I hope you will continue to be a key contributor to the Lewisville 2035 conversation. Your input is highly valued.
